Prairie Community Bank President and CEO, Steven Finzel

As President and CEO of Prairie Community Bank, I want to personally reach out to you as our family of customers.

We stand ready to provide you with the positive local banking experience you deserve at our local Marengo, Union, and Elgin branches.

Additionally, if you know of anyone who's rethinking their relationship with a different bank, we welcome the opportunity for them to compare what they want with what we have to offer.

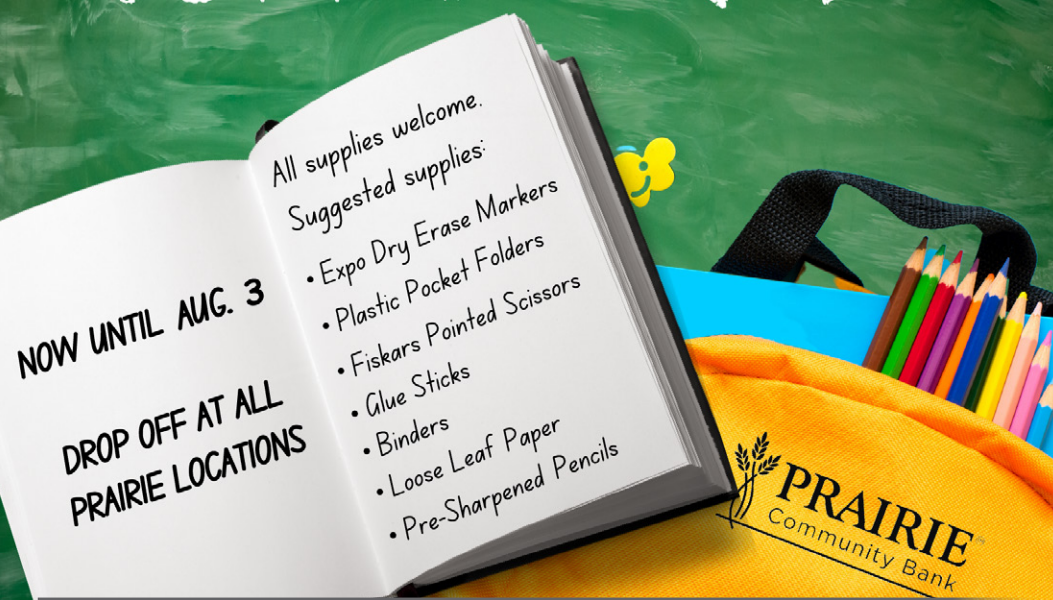

In addition to common necessities like Checking and Savings Accounts and Certificates of Deposit, we also have an extraordinary team of lenders – you can read more about them in their profiles on page 3.

You are welcome at any of our three convenient branches, and we can be reached anytime during normal business hours by phone at 815-568-4100, or via email at info@prairiecommunitybank.com.

Enjoy this edition of our Summer Newsletter, and reach out to us anytime!

Stay Alert to Avoid Fraud

Summer means temperatures are on the rise – and so is fraud. Protect yourself with the following tips:

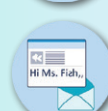

Avoid the hooks

Check it out with care

Resist the bait

Look for tip-offs

Remember the 3 P's:

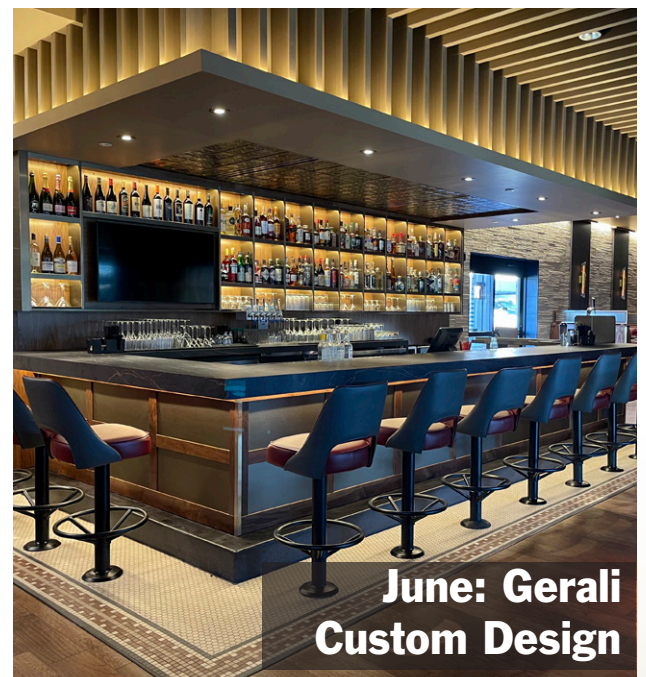

1) Pause. 2) Protect Yourself. 3) Don't Pay.

If you have questions or feel you may have been the victim of fraud, call our Digital Defense Online Resource Center at 815-568-4100.

2022 Prairie Partner Recap, January through June

We are proud of our community and the businesses we serve. So many of our customers work hard to give back, grow, and bring wealth to our community. To showcase their efforts, we have developed the Prairie Partner Program in which we highlight local businesses each month as a way to say *Thank You* for making Prairie your bank of choice and promoting excellence in our community.

Thank you to our Prairie Partners for the first half of 2022!

Should you have any interest in being one of our Prairie Partners, contact us at info@prairiecommunitybank.com for more details.
