# Beneficial Ownership Information Reporting

## Fast, Simple and Secure Filing Solution from Wolters Kluwer

Time is running out for over 32 million small businesses to file beneficial ownership information reports by the January 1, 2025, deadline to comply with the Corporate Transparency Act.

This requirement can pose challenges for companies with limited in-house expertise, minimal experience with FinCEN operations, and restricted ability to safely collect and manage sensitive personal information.

### Simple, intuitive reporting to meet upcoming BOI Filing Deadline

The BizFilings BOI Reporting Solution eliminates confusion and decreases the time spent on each report. Secure hosting with two-factor authentication keeps information safe, and built-in automation and validation reduces the risk of misfiling or incorrect filing. You can generate reports efficiently with:

- **Mobile-friendly interface** – A smart form guides you through the filing process with simple questions and helpful tool tips, explaining the requested information as you go.
- **Optimized for small businesses** – Access the tool easily from any computer, mobile device or tablet. You can take photos of personal identification with your phone's camera and upload them securely.
- **Simple dashboard view** – Track report status from creation to completion at a glance. Status changes are updated in real time as your report progresses.
- **Easy Collaboration** – Send unlimited invitations via email or text to beneficial owners for quick form completion.
- **Access to BOI Experts** – Expert help desk support available between 8 AM – 5 PM ET, with voicemail and callback options outside of business hours.
