

## Prairie Community Bank President and CEO, Steven Finzel

With the year coming to a close, we certainly send our well wishes and hope this finds everyone doing well during the holidays.

We sincerely appreciate our historical opportunity of providing financial services to the entire Marengo and Union communities. Please know we value our customers and look forward to continue providing banking services, as your community bank. Our Elgin branch will expand our ability to provide community banking services and provide additional opportunities for new customers during 2023. Within this newsletter you will see our local community bank branding and marketing objective for “Prairie Community Bank”. In addition to Marengo and Union, we will also serve both the Elgin and South Elgin communities and market areas from our Elgin branch and “Prairie Center”.

Many of you utilize the convenience of our online banking services, which provides the ability for monitoring your account activities. We invite all of our customers to enroll in online banking, given the value it provides.
